Stoxkarts – New Driver Welcome & Covering Letter (2026)

Welcome to Stoxkarts

We really hope you enjoy your time racing a Stoxkart and that it is everything you hope it will be. This pack is designed to help you understand what to expect on a race day and what is required before you go on track.

Your Pack

This letter accompanies either:

SXP-21 – Hire Driver Pack (Age 16+) or SXP-22 – Junior Driver Pack (Under 16)

Please read all documents in your pack carefully. They form part of the conditions under which you are permitted to race.

Junior Drivers – Competence & Licensing

All Junior drivers must hold a full Junior Licence (SX-2). As part of being allowed to race, Juniors must either: Successfully complete a Stoxkarts competence test (theory and kart control), or Hold a current ORCi licence in another recognised formula.

A parent or legal guardian must read and understand the Stoxkarts Rules and Regulations before applying for a Junior Licence and is responsible for the junior driver at all times while at the circuit.

Signing In

On race day you must: Sign in with Stoxkarts Ltd at the Stoxkarts Trailer and get your day licence or Junior Licence for signing in with the track and scrutineering. You then need to take your day licence and sign in with the track promoter. Drivers under 18 must have a parent or guardian present to sign in on their behalf. After signing in you will be introduced to the team looking after you and shown your kart. If you have any questions, please ask – everyone is there to help.

At the Track

There is a walking-pace speed limit in the pits. No passengers are allowed on or in karts in the pits. You must attend the driver briefing before racing starts. You will be called to the track for your races and given grid instructions over the raceceiver. Do not speed around the circuit until instructed.

Flags and Radio

All flag signals are explained on the SX-7 Flags form. You must know and understand them. Raceceivers are in use – if you cannot hear, you must retire to the infield.

During incidents, remain in your kart with seatbelts fastened and arms inside until instructed by a marshal.

End of Races

A race does not end at the chequered flag. Continue racing until you see a red flag and are instructed that the track is safe. After racing, follow radio instructions back to the pits.

We wish you a safe, enjoyable and exciting time racing with Stoxkarts.
