

Stoxkarts Limited Mission Statement

Stoxkarts Limited is a privately owned Limited company promoting the Stoxkarts Racing short oval racing formula at stadiums throughout the United Kingdom.

Stoxkarts Limited are affiliated to the Oval Racing Council International (ORCI) which is the governing body for oval racing in the UK and Europe and as such Stoxkarts Limited and competitors are bound by their rules and regulations.

Our Vision

Our Vision is to provide a budget, fun lead formula for likeminded individuals that is enjoyed by competitors, teams, and fans of all ages. We strive to maintain a professional racing environment with emphasis on safety and fairness and deliver a memorable experience to all those involved in the formula.

Our Mission

Our mission is to enable competitors to participate in Stoxkarts racing in a safe, fair, fun, inclusive and progressive environment. To liaise with promoters to provide a calendar of events at short oval tracks throughout the UK.

Leadership: We commit to continue seeking ways to keep the formula fair, fun and as equal as possible for all competitors.

Community: We will encourage all competitors to build relationships and provide a positive experience of Stoxkarts racing.

Inspiration: To provide a formula that is an affordable, fun, and fair hobby for all competitors. Provide inspiration to younger generations to become involved in oval racing. With the Junior formula we look to help develop and hone children's driving and racing skills.

Training: We will ensure our officials execute their duties in a strong and fair manner.

Communications: We will be transparent in our rule making and decisions.

Development: Stoxkarts Limited want to provide a positive experience for all competitors, volunteers, officials, family members, spectators, and promoters alike.

Sustainability: We support the vision of making stoxkarts as fair, affordable, enjoyable, and equal as possible for all competitors and teams and constantly strive to look at ways of preventing rising costs.

Safety: Safety will always be a priority for all our competitors both on and off track through a comprehensive rulebook.

Fairness: We will seek a level playing field for all. All competitors will be treated the same irrespective of grade, race, religion, and sexuality.

Our Values

Respect: No one person, irrelevant of their official position, is better than another. We all need to exhibit behaviour that treats others as we would like to be treated ourselves and create a positive circle of mutual respect within the formula.

Teamwork: Every role is important in Stoxkarts and is valued. Officials, teams, and competitors must work together to enable the sport to be enjoyable for all and to progress.

Transparency: Competitors need to be able to see how and why a decision was reached, and rules and regulations need to be adhered to. Fairness and equality matter in Stoxkarts.

Enjoyment: The essence of Stoxkarts is to enjoy it. Stoxkarts is a hobby and should be treated as such. We want to make the formula appealing and fun for all competitors and their families, friends and supporters.

Fairness: We want a fair formula supported by fair rules for everyone.
